WTC MOSCOW

Exhibition

International Customs Forum

The most important platform for interaction between the state and the business community and the exchange of professional experience. Every year the event takes place on a larger and more technological scale, but invariably within the walls of the Congress Center WTC.

[VIEW THE CASE](#)

Award

Association of Film and Television Producers Film Award

A large-scale and vivid event of the Russian film industry. The carpet, sufficient space for communication with the press, and a spectacular light show during the awards ceremony immersed the guests of the Congress Center in a real celebration.
